SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

The applicant respectfully disagrees with the examiner's statement that the "information disclosure statement filed 10/02/2007 fails to comply with the provisions of 37 CFR 1.97, 1.98, and M.P.E.P. § 609."

The applicant has provided, in the information disclosure statement filed on October 2, 2007, "a copy of any written English-language translation of a non-English-language document, or portion thereof, within the possession, custody, or control of the applicant."

Please consider the references listed on the attached PTO-1449 form. Copies of foreign patent documents and non-patent literature are enclosed. Copies of U.S. patents and patent application publications can be provided upon request.

The applicant calls the examiner's attention to the United States patent applications and/or patents listed below. These applications and/or patents contain material related to material set forth in this application. Copies of the applications and/or patents, their current claims (in the case of patents), and their transaction histories from the patent office public PAIR website are enclosed.

The applicant invites the examiner to consider the claims and claim amendments of these other applications and patents and the positions of the examiner and the applicant that appear in their prosecution histories. The applicant understands that the examiner has direct access to these papers at the patent office, but will be happy to provide copies to the examiner upon request.
